ORDER

SAGARAMALA is a strategic customer oriented initiative of the Government of India to evolve model of Port Led Development thereby India's long coast line will become the gateway of India's prosperity. It envisages transforming the existing ports into modern world class ports on one hand and developing new world class ports on the requirement on the other hand. SAGARMALA aims to integrate the development of the Ports, the industrial clusters and hinterland and efficient evacuation systems through Road, Rail, Inland and Coastal Water Ways resulting in ports becoming the drivers of economic activity in Coastal Areas. In this connection, Hon'ble Prime Minister has indicated to take two clusters, one at West Coast and another at East Coast to take as a pilot to improve the efficiency of handling certain clusters on East Coast and West Coast. One of the clusters identified is Vishakhapatnam, Gangavaram and Kakinada Port cluster.

2. In this context, a series of meetings/workshop were conducted with the officials of the Government of AP and Chairman, Visakhapatnam Port Trust, Chief Executive Officer, Society for Elimination of Rural Poverty, Addl.DG, Indian Coast Guard, General Managers of East Coast & South Central Railways, Commissioner of Customs, Visakhapatnam and representatives from NHAI etc to discuss the concept and vision of Sagaramala Project, identification of Projects to be taken up under it and preparation of National Perspective Plan based on the instructions from Ministry of Shipping, Government of India. Many stake holders related to port sector raised some of the bottlenecks for evacuation and logistics.

3. In the Memo 2nd read above, the Director of Ports, GoAP, Kakinada has been nominated as the representative from Government of Andhra Pradesh for Sagaramala Co-ordination & Steering Committee.
